

Project Lifesaver Missing Person Instructions

1

Look for **NO LONGER THAN 5 MINUTES!**

We come from different areas of Escambia and Santa Rosa Counties, and may have a delay in getting to your area. We would much rather be on the way sooner and simply turn back if not needed, than to have an unnecessary delay in finding your loved one.

2

Then: **Dial 911**

Answer their initial questions, then:

Make sure the 911 Operator understands that:

- **The missing person IS on Project Lifesaver,**
- **THEY NEED TO CALL ESCAMBIA SEARCH AND RESCUE IMMEDIATELY!**

3

After Talking with the 911 Operator,
Then Call:

Escambia Search And Rescue Emergency
850-393-4311.

- If no answer, leave a message. Your call will be returned immediately.

If you have any problem with any of the above, or if you do not reach the ESAR Emergency phone, please call one of the following Escambia Search And Rescue personnel:

Director Jon Rhodes: 850-777-7597, or
Commander John Provo: 850-554-7883
