

Search Continues For Missing Man

A search was still under way Tuesday night at the Lillian Bridge at Perdido Bay for 58-year-old Charles W. Forester Sr.

A spokesman for the sheriff's office said the Search and Rescue Squad would probably continue the hunt up to midnight and then stop operations until daybreak Wednesday.

Forester, 4845 Mobile Hwy., was last seen on a walk-way on a bumper at the bridge on Lillian Highway. He reportedly had left home Sunday for a fishing trip. His truck was found parked near the east end of the span.

When he had failed to return by Monday afternoon, he was reported missing by his son, C. W. Forester Jr., 906 New Warrington Road. A search was initiated Monday afternoon.

Although the search failed to uncover Forester, dragging operations did haul to the surface two cars, one motorcycle and an empty cash box. A spokesman said Tuesday night it was determined that one of the autos was stolen in February and a check was being made into the other two items.
