

Girl Said Missing

A 9-year-old Warrington girl was reported missing Friday night, a sheriff's department official said.

The girl was identified as Sandra Lee McWilliams, daughter of Mrs. Ruby McWilliams of 33 N. Carver St.

The official said Mrs. Williams reported about 9:30 p.m. that Sandra had not yet returned from school. The girl was reported to have left school at 1 p.m. and walked part of the way with an unidentified girl.

The other girl reportedly parted with Sandra, who had not returned home late Friday night.

Sandra was described as being of small build, blond, brown-eyed, wearing a green dress and a white sweater.

Sheriff's deputies and Escambia Search and Rescue Unit members were searching for her.
