

We Thank You...

ST. REGIS PAPER COMPANY wishes to express publicly its thanks and appreciation to the individuals and organizations which came so rapidly and voluntarily to our aid on March 9, 1962 when fire destroyed our paper storage warehouse.

We are most grateful for the interest, aid and assistance provided by our neighbors so cheerfully and unreservedly. It is impossible to list all who were involved. But our special thanks are hereby extended to —

The United States Navy for doctors, corpsmen, ambulances and medical aid; for fire fighting equipment and personnel from the Naval Air Station, Ellyson, Saufley and Whiting Fields.

The Volunteer Fire Departments from Cantonment, Brent, Ensley, Bellview, Ferry Pass, West Pensacola, Warrington, Gulf Breeze, Pensacola Beach, Innerarity Point and Myrtle Grove, the Ladies Auxiliaries of some of these; and the Milton, Jay and Crestview fire departments.

Other personnel of the Escambia County Search and Rescue Unit; the Escambia County Sheriff's Dept. and the Florida Highway Patrol.

The City of Pensacola which sent fire equipment and personnel, as did the Florida Forest Service and the Chemstrand Corporation.

And to all the others we cannot name, we most sincerely appreciate your cooperation, service and good neighborliness.

St. Regis
PAPER COMPANY
